Work

Data Signals

2016-03-01 —

Chief Data Scientist   www.datasignalsllc.com (www.datasignalsllc.com)

Designed and built an analytics-as-a-service product for outbound consumer contact centers

Highlights

- Architected and built a platform for data exchange and storage, customized predictive model training, individual and batch model-as-a-service predictions, and dashboard visualizations

Florida Blue

2015-05-01 — 2016-03-01

Associate Data Scientist ()

Member health and quality of care analytics

Highlights

- Developed a multitenant application for tracking, forecasting, and optimizing Medicare Stars ratings
- Used web, demographic, and other unconventional data sources to forecast member health and utilization
- Built an automated analysis pipeline for determining return on investment from observational data

University of Central Florida

2013-08-01 — 2015-05-01

Graduate Teaching Associate ()

Responsible for all aspects of teaching introductory statistics to classes of approximately 60 undergraduates

RTI International

2012-05-01 — 2015-05-01

Environmental Scientist ()

Cleaned, combined, and analyzed sensor data from over a dozen sources in support of environmental research

Highlights

- Produced research that informed environmental policy legislated by the US Environmental Protection Agency

Education

University of Central Florida

2013-08-01 — 2015-05-01

🎓 **Statistical Computing**
Master

University of North Carolina at Chapel Hill

2009-08-01 — 2013-05-01

🎓 **Quantitative Biology/Mathematical Decision Sciences**
Bachelor

Awards

EverBank Data Mining Contest

by **EverBank**   Awarded 2015-03-01

Placed third in a data mining competition with entrants from all major universities in Florida

Skills

Statistical Computing

- R
- ggplot2
- data.table
- caret

Statistics

- Nonparametric
- Bayesian
- Time series

Data Visualization

- ggplot2
- shiny
- Tableau

Data Science Ops

- Version Control
- Amazon Web Services
- Containers
- Package Management

Relational Databases

- Postgres
- MySQL
- DB2
- Netezza

Languages

English
Native speaker
